Tired of standing over a hot grill to constantly turn the skewers by hand? EmberGlo now offers a professional grade Powered Shish Kabob Accessory for our Gas Char-Broiler - Model 31. It is designed to be placed over a new or a modified existing EmberGlo 31C or 31F gas broiler. Powered by a heavy duty 120 Volt electrical motor, the EmberGlo Shish Kabob Accessory automatically turns 10 long skewers simultaneously at approximately 3 rpm (revolutions per minute). The 20" long blades can accommodate large pieces of meat such as beef, chicken, lamb, pork, or fish. The automatic and even rotation of the skewers ensures that the food is cooked evenly throughout while retaining the delicious natural flavors, juices and great outdoor char broiled taste.
